To Whom It May Concern:

Please find herein enclosed the original and nine copies, as required by the District Court Rules, for filing and service upon the defendants listed and the Attorney General for the State of Delaware of my 1983 Complaint.

Additionally, I am seeking to proceed in forma pauperis; however, the institution has not yet processed my request for a six-month statement of my inmate account activity. As soon as I receive this statement from the institution, I will forward it to your office.

I appreciate your patience in this matter.

Sincerely,

Ren Roten
